

Chapter 34: An Age of Anxiety Student Notes

Changes in Paradigms

1. How did new scientific paradigms alter humanity's perception of the universe?
2. How did these new perceptions alter philosophical paradigms?
3. What new kinds of art and architecture appeared in the more uncertain world?
4. What new medical innovations appeared?

The Great Depression

5. What caused the Great Depression? How did it spread?
6. At its outset, what was the main response of the leading capitalists and world leaders to the Great Depression?
